

Iveco Eurocargo

EURO IV – SCR Technology

Dinex no. 28460
OE no. 504135187

Emission Systems for EURO IV and V
Dinex will as the first supplier introduce a full range of EURO IV and V versions over the coming years. Using both SCR catalytic units as well as partial filters used in MAN applications.

All are Dinex designs tested and verified in Dinex Emission Technology Centre as well as by accredited institutes. This particular Iveco Eurocargo application has already been sold in more than 25,000 versions since the introduction of the EURO IV norm in October 2006.

EURO IV REPLACEMENT SILENCERS

- Direct replacement of original EURO IV silencer
