“Every day we are working on our Strategy plan called Fuel for the Future. It is a strategy which has united the company for one common course and we are proud to be living it every day. It is a special recognition to get when external parties like the jury also acknowledge that your strategy is something special, and this of course makes us even more proud”, Torben Dinesen says, CEO and Owner of Dinex Group.

Dinex is now going into the next phase, where the National Winners from each country will face further judging in their chosen category, and the final Category Winners will be announced at the European Business Awards Gala Final in Warsaw, Poland on 23rd May 2018.
