

# Auxiliary Heater Flexible Exhaust pipes

Now available in new length - 2 m!

As an addition to our ongoing product portfolio, Dinex is pleased to introduce into the aftermarket new flexible pipes for auxiliary heaters in commercial vehicles and other machinery.

Dinex offers a wound double-layer folded spiral-seam pipe made of 1.4301 high grade stainless steel strip. Due to customer requests the flexible pipes are now available in two lengths – 2 and 20 meters long.

For more information please contact your local sales office.

## ► Length: 2 m

Dinex no	ID (mm)	L (m)	Wall thickness (mm)	Bending radius (mm)	Thermal resistance	Packing
95281	22	2	1,7	~40	-40°C to + 300°C	Coiled
