New Volvo VIP silencers

Dinex is proud to introduce the two popular pressed shell versions of the Volvo FH vertical installed silencers. Both are made in the well-known Dinex aluzink quality materials with form, fit and function in accordance with the OEM specifications.

Rear silencer – design is your choice!

What ever tail pipe design you are looking for on the Volvo FH/FM, Dinex covers the different models currently on the market. So you can always replace your silencer with the exact match not compromising the look of your truck or flow around other installations on the vehicle such as tank or tool box.
