

Renault Premium

EURO 5

● SCR Catalyst

Dinex no. 64309
OE no. 7420950553
OE no. 7421583710
OE no. 7421058556
OE no. 7421583713

New EURO V silencer available in the product portfolio

With our direct replacement silencer for Renault Premium you will be able to save money compared to alternative solutions, and at the same time keep a good fuel economy with the high cell density metallic SCR catalyst inside. Other features of the metallic catalyst is a quick heat up option to secure faster functionality of the catalyst, and a high mechanical robustness of the substrate for long durability.

EURO IV / V REPLACEMENT SILENCERS

- Direct replacement of original Euro IV / V Silencers
- Stainless steel material
- Replacement silencers are tested in Dinex Technology centre to ensure product functionality with respect to emission reduction, back pressure performance as well as noise reduction compliance

Contact your local sales office for additional information.

Quality products from Dinex- Europe's leading supplier of complete exhaust system and emission technologies for commercial vehicles.
