

# Mercedes Benz Actros & Axor

## Euro IV / V Silencers

**Think on your health when you sell the next silencer for a Euro IV / V truck.**

Dinex ensure product functionality with respect to emission reduction, in order to continue driving with good conscience.

The inside SCR catalyst is developed and produced by Dinex in the well-known high quality without compromising the functionality for reduction of NOx emissions.

Please contact your local sales office for additional information.

### EURO IV / V REPLACEMENT SILENCERS

- Direct replacement of original Euro IV /V Silencers
- Stainless steel material
- Replacement silencers are tested in Dinex Technology centre to ensure product functionality with respect to emission reduction, back pressure performance as well as noise reduction compliance

Quality products from Dinex- Europe's leading supplier of complete exhaust system and emission technologies for commercial vehicles.

• SCR Catalyst
